

3 December 2008

Called to order at 1937 by Mike, KE7AZF

Steve – WA2SMS

Mike - KE7WQP

Jay – W7DRJ

Paul – K7RXC

Tate – KA7O

Brian Lindgren – KE6EUI

Warren – KE7NPF

Chitty chatter and welcoming Brian to the area. Talk of Jay's work in CA. Steve mentioned some 6m contacts in Washington state. Brian used to work as an electrical launch control engineer for Lockheed Martin. Atlat launch control – analog relay logic. Liquid level switches and relays.

Old Minutes read from Aug meeting

moved and 2nd to accept as read – passed

Treasure's Report Currently 16,028.38 in the account. Hamfest account has been combined. Power bill was paid.

Old business:

Ham classes – right on schedule. Had as many as 6 students at one time. School district has been very good to us. Building and room have been good. School has been happy with us.

Boy Scouts are interested in us holding a class for the Casper scouts. City wide. Radio Merit badge is the rarest of them.

Special Event in the Big Horn Range – off Highway 16 – Sheep Mountain is ours. (Fire Tower). Jay will propose dates and duration of event at the Jan meetings.

501(c)3 – update

New business

This Saturday, December 6 is Skywarn Recognition day. Group choose to work as individuals as time permits.
