Field Day – QSL cards have arrived. Steve will break out his stamp and send 'em out.

Discussion of Logbook of the world. Designed for confirmation of contacts, rather than QSL beuro.

Need to update club listing with ARRL. Post card requesting update from ARRL in hand – Tate will take care of that tonite at home.

Discussion of alternative meeting sites and test sites.

Need to move the 146.940 repeater from the Two Way – pass unanimously, no further discussion. Mike will contact Two Way and we'll back him up.

Discussion of what to do with the ambulance at my house. Re-visiting using it, getting it painted and running.

Discussion of the call out for the flood.

Wyoming, Utah, Idaho hamfest – Rev. gave us some history. Talked of what money there is left (aprox 1300.00). Planning is in progress for holding Wimu in Jackson on 4-6 Aug 2006 at the Virginian. (letter with details from Rev).

Moved to donate \$200 to WIMU, amendment to up the donation to \$250, seconded and unanimous vote YAY. Brent will write the check tomorrow evening when he gets back to town.

Rev will get Natrona CO hams and mailing labels for a QSL card mailing. Get membership back up. Talked of re-newal memberships discounts for past members.

Need to get on the schedule for the EOC or go to the library, the Nicolasian for next month's meeting.

Testing session, Sept 24 at W7BLM's house.
