

March 06

Mark Adams (234-0632) interested in classes -

Mark NG7T

Mike - KE7AZF

Steve – WA2SM

Tate – KC7ZR

Lee -

Brent -

I was late – again.

Arrived here

Minutes read – accepted as read

Cheyenne is hosting the Wyoming state hamfest.

Treasure's Report:

\$ 5184.49 – as of Today

Outstanding bills? No payments since January.

Field Day info:

We'll run battery power

100 watts HF, CW and SSB

Brent and Mike will have batteries

Club radio and Mike's TS-2000

One long wire antenna and the doublet that Mark donated.

Discussed wind and solar charging options – needs to be detailed and finalized.

Sort of touched on the idea gasoline backup power source.

Food:

3 bags o buns

2 bags o hot dog buns

box o patties and dogs

Everybody bring a dish – specialties already assigned. Eat what shows up!

BYOB

Two way wants a letter from Stu Anderson for permission to move the repeater from the Two Way site.

Need a letter from the club still as well.

Need an offer letter from Wyo Med as well.

Question as to who is maintaining the gear and who will have access to it.

Question of phone lines – access to the gear. Hall passes and such.

Long term arrangement – commitment over personal changes.

Kendecon K4 repeater – W7VNJ repater gear. CAT-100

Discussion on classes

Who's interested: Possibly 4 students

Mike and Tate offered their houses as backups

Tate – get PVC cafeteria lined up

Plan on materials for 6 people

Plan for Saturdy afternoon – starting First Saturday in April

Mike and Tate will coordinate curriculum and plan out a 4 to 6 session plan.

Christine and Mark offered a letter of apology and information for Stu.

Slightly discussed -

1. Apparent wall of communication between Stu and CARC.

Letter tabled for now – discuss on email reflector or discussion board – get a decision to Christine by 3rd Wed of March – via Club meeting on the repeater.

Talked about the recent snow storm and the Coal Creek area power outage. Red Cross shelter. We had no contact – no involvement.

Mike – Casper College, building a relationship there. Mike encouraged we make contact and explore a relationship with CC. Mike – KE7AZ will contact Meagan Grahm at Casper colleg. They do have a 'radio course' there – contact her, see if we can start talk.
