

6 September '06

Business Meeting. Called to order 2003hrs. (Explorers were in the room)

Discussed the .940 situation. Ch. 14 tower. \$25/month, 80 foot up. 10' antenna. 1 rack – 4 cans. Likely have to buy a duplexer and a controler.

Chad – KD7RDC

Tate – KC7ZRU

Steve – WA2SMS

Mike – KE7AZF

Bob - W7AYH

Minutes accepted as read.

Club has purchased the old “Mana Media” tower site, including the shack and it's contents. ill of sale, notarized, is in hand.

KE7YE, KC7ZRU, WA2SMS, KE7AZF, KC0FUP all put the .235 repeater on the air at the new site this month.

Discussed the .940 tower site. Access would be by appointment only. Chanel 14. Mike moved that we agree to the stipulations and \$25/month fee for access to the site for the .940 at the Ch. 14.

Unanimously accepted.

Moved, 2nd and unanimously voted to purchase a 4 can duplexer from ComTech for under \$1,000.00.

Brent, KC0FUP plans to buy the club a controler. Lincoln – dual port.

(Chad – KD7RDC paid his dues for 2006. Chk #6933)

Need to contact the county for building permit information on the tower. Contact the old engineer, see if we can get some site plan information.

Dave, K7YE has asked permission to mount his 70cm repeater and 10m crossband repeater on the new tower. Moved, 2nd and unanimously accepted to allow Dave to mount his gear on our tower.

Meeting closed 2048 – Tate, KC7ZRU – presentation on Satellite tracking.
