Lee – KE7EYX  
Steve – WA2SMS  
Jim – N7VLM  
Ted - N0CALL

Meeting order at 7:39 MST by Mike

Old minutes read and approved as read

No treasurer's report – due to KC7ZRU being absent

Old business:

Mike met with Stu Anderson on EOC topics

Revamping the EOC (remodel)

Emergency Simulations

Big question, are we as a group ready? This question will be posted to the discussion board for further discussion.

New business:

Dues collected (K7YE paid Mike to be transferred to treasurer later)

Who's going to coordinate Field Day?

Tate – KC7ZRU nominated to coordinate FD.

Letters:

Need to get letter to county commissioners and the Stuckenhoff complex. Mike asks for these to be done by next business meeting.

Changing of W7VNJ call sign trustee:

Need to have this done by Field Day. Nomination for Tate Belden (KC7ZRU), Rev Morton (WS7W) – nominations left open until next business meeting.

Mike has requested that we have new net control operators by end of this calendar year. Would prefer a rotating schedule with several operators. Ran a 'Mock' network for the newer members, reviewing repeater functions and on the air procedures.

Meeting closed at 8:15 MST

Crew gathered at the EOC and put new connectors on jumpers

Lee worked on his 6m antenna

Others reviewed furniture placement for the revamped EOC

Mike tried some contacts on the HF gear – no luck.

Jim Boyle shared some club history with those that were interested.

(Note: meetings taken by Brent, KC0FUP and transcribed at a later date by Tate KC7ZRU)
