

1931 meeting called by Mike

Mike – KE7AZF

Ted – WY7TED

Bob – W7AYH

Jay – N7NPC

Warren – (renegade)

Lee – KE7EYX

Tate – KC7ZRU

Steve – WA2SMS

Brent – KC0FUP arrived a tad latish

(KC7ERC – Warren's dad's old call)

Treasurer's Report: \$20,808.80 (Plus \$20 not yet deposited)

April's minutes read accepted as read

Old Business:

1. Hamfest is a priority at the minute. Mike would like us to nail down our schedule for the help desk table. Schedule will be developed on the discussion board.
2. Warren offered to setup some PSA time for Hamfest – we suggested we might take him up on that for Field Day.
3. Get some of the local Chamber of Commerce city maps. Jay will get the maps (N7NPC)
4. 12 May at Mike's house for a VE Preparation Class. 1300Hrs.
5. Mentioned the idea of the club sponsoring a Fox Hunt for hamfest.

Warren offered to travel along with anyone to Cheyenne for VE testing this Saturday.

1. Field day discussion
 1. Roger – plans, radios, etc. Mike mentioned that Roger has offered his new Solar panels for FD. He doesn't have any batteries.
 2. Jay has some great idea of setting up a PR station at FD, exposure as well as have some contesting efforts.
Moved and voted to run FD as an “Alpha” station – 2 stations. Emergency power only.
 3. WA2SMS will bring his TS-2000 for the primary FD HF station.

Tower, wyoming com – internet – Wireless access to FD site, maybe.

Voted and accepted to buy a new inverter for the 19” panel I have. Use it to replace the 21” CRT in the EOC.

Voted to support Jay with the local Boy Scout special event station – 72 hours. Likely sometime around 1 August.

Brent talked some about the EOC remodel/restructure. Adjourned at 2111hrs
