Mike called meeting to order

Tate – KA7O

Mike – KE7AZF

Bob – W7AYH

Jay – W7DRJ

Mike - N0CLL

Steve – WA2SMS

Warren – KE7NPF

Minutes from June read and accepted as read. (No July minutes – no quorum for a meeting)

Treasure's report – Brent has a new job and has relinquished the position. Tate will take it on, again.

Mike filled everyone in on what the hang up is with the 501(3)c status – ie. Social group instead of an educational group.

Old Business – Pretty much everything 'old' has been completed, except for Tate dealing with the .235 controller.

New Business -

Tate mentions the initial contact with IDE Land and Leasing about putting up an autopatch on their building. Also some discussion on why a phone patch.

Steve – WA2SMS will build a certificate/QSL card for the W7I event.
