and one failed to pass.
4- Tate said the Checks were made out to pay Shawn, Charles and Tate .

New Business:
1-Shawn has found a place on the internet to buy interface cables for the S-COM for $40.00
 each. We need 2 now. Motion was made and seconded to buy 2 cables. Motion carried.
2- a.Mike ask if we could have a VE session during the field day.
    b.Tate said we would have to have the field day open to the public for the VE testing.
    c. Mike said he would have to clear that first. He will do that and then we could work out a time
for the VE session.
3- Mike ask if we were using solar panels connected to the grid would that count as running off
 solar. After a discussion it was decided it would count.
4- Tate said since the club is to provide the barbecue and hot dogs for field day some one has to front
the money for the supplies and keep the receipts for reimbursement.
5- a.Lance ask for Melvin phone number so he could contact him about the port a-potty for field day.
    b.Tate projected the membership list so he could get Melvin's phone number.
6- There will be a meeting of the Field Day comity next Wednesday 6:00 PM at the Village Inn to
finalize the plans for the Field Day.
7- a.Peter said he has same logging software for field day as they used last year.. He just needs a
computer to run it on for field day.
    b.Lou said we have 11 desktop computers in the C-can. Don't know the running state of them.
    c.Tate said they don't have windows run capability in any of them. They all are Linux machines. We
would have to purchase a Microsoft operating system to run it on them.
8- a.Dwight said they need volunteers for the Pony Express ride coverage for tentatively June 21. they
should contact him to get it arranged.
    b.Dwight will be acting as net control for the Pony express ride.
