Old Business:

1-Tate suggested that a Field Day committee be assigned to plan the Field day event for 2016 on June 25 & 26.

1.1 Lance volunteered to be the chairman of that committee.

1.2 Tate said we had computers and software to handle the logging ,but it would have be rounded up and verified first.

2-The National Park On The Air was discussed and Charles volunteered to research that and have that information at the next meeting.

3-Ken said the TOW(Tower On Wheels) is progressing

3.1 he has pictures of the tower and Name plate.

3.2 Tandem axle each rated at 17,000 lbs.

3.3 GWR 14000 lbs rating.

3.4 We will have to have registration and insurance before we move it.

3.5 Storage of the TOW could be at sea-can but we would have to get permission first.

3.6 The one outrigger is bent and the top section is twisted. Which would have to be fixed.

3.7 It has a 2 5/16 inch Ball Hitch.

3.8 Ken said the tower fully extended is approximately 100 ft. tall.

New Business:
