New Business

1- We need to pay Shawn for paying the Issac Walton use fees. He isn't here tonight so it will wait.

2- The TS-950S Did not work during Field day. Joe said he is having a guy in Sheridan work on it. We will not have to pay shipping it will be between Joe and the guy that fixes it. It was discussed that we maybe should get rid of it after it is fixed as it has a history of failing.

3- There was a discussion about using school buildings for activity meeting places but nothing was decided .

4- Doing actual activities at our Activity meetings all sorts of different activities were discussed and Joe offered to do one on programming radios for our July (July 19) activity meeting.

5- Motion was made and seconded to adjourn. Motion carried.
