

**Exercise Feedback Form**

At the end of the exercise, please provide feedback. Please do not share your name or callsign. Idea is for you to freely share your thoughts.

Where the exercise instructions clear and easy to follow?

How comfortable were you with the net procedures?

Was the NCO clear and easy to understand?

Did you encounter any challenges during your role? If so, what were they?

What suggestions do you have for improving future exercises?

Anything else you'd like to share?
